*La combinación perfecta*

Malecón 663 was built in 1912 and has been completely renovated by a team of architects and designers, who, respecting their original eclectic structure managed to combine contemporary and personalization in its three floors.

Here you can Enjoy a musical and cultural trip in the heart of this wonderful capital, unique and different. Located on the famous Traditional Malecón, between the Historic Center and Modern Havana.

More than a product, we offer an experience through the urban mosaic of today's Havana society, between yesterday and today, between Cuba and the world, tradition and creation. This unique space consists of 3 superior rooms, 1 suite overlooking the sea, a roof top, on the ground floor a boutique lobby bar between the internal courtyard and the terrace at the Malecón.
